

MODEL GCB340NEIDB

EAN CODE:8592344703263

PRODUCT PHOTOS

Inverter

LED light

No frost

Two crispers

Multi-air-flow

Reversible door

LED display with touch-control

CAPACITY (NET)

|                                       |           |
|---------------------------------------|-----------|
| Total Capacity<br>Gesamtkapazität     | 322 Liter |
| Cooling Capacity<br>Kühlkapazität     | 226 Liter |
| Freezing Capacity<br>Gefrierkapazität | 96 Liter  |

COOLING SYSTEM

|                                   |                      |
|-----------------------------------|----------------------|
| Cooling Type<br>Kühlsystem        | Dynamic<br>Dynamisch |
| Climate Type<br>Klimaklasse       | T,ST,N,SN            |
| Freezing Capacity<br>Kühlleistung | 6.0kg/24h            |
| Refrigerant<br>Kühlmittel         | R600a/39g            |

ACCESSORIES

|  | Cooling Unit<br>Kühleinheit | Freezing Unit<br>Gefriereinheit |
|--|-----------------------------|---------------------------------|
| Total Glass shelf (flexible/fixe)<br>Gesamt Glaseinlegeboden (flexibel/fest) | 3x (2x/1x)                  | 2x (2x/-)                       |
| Door Baskets<br>Türablagen   | 4x                          | --                              |
| Crisper<br>Gemüsefach  | 2x                          | --                              |
| Drawers<br>Schubladen  | --                          | 3x                              |
| Illumination<br>Ausleuchtung   | LED                         | --                              |

DIMENSIONS / WEIGHT

|  |                |
|--|----------------|
| Net Weight<br>Netto Gewicht                | 62kg           |
| Gross Weight<br>Bruttogewicht              | 68kg           |
| Net Dimension (WxDxH)<br>Netto Abmaße      | 595x635x1855mm |
| Gross Dimension (WxDxH)<br>Brutto Abmaße   | 645x704x1950mm |
| Loading Quantity (pcs.)<br>Lademege (Stk.) | 72/40HQ        |

DESIGN

|                        |  |
|------------------------|--|
| Categorie<br>Kategorie | Freestanding<br>Freistehend                      |
| Structure<br>Aufbau    | Cool / Freeze Combi<br>Kühl-Gefrierkombinationen |
| Color<br>Farbe         | Dark Stainless Steel<br>Dunkler Edelstahl        |
| Handle<br>Griffe       | Recessed handle<br>versenkter Griff              |

POWER / CONSUMPTION

|  |                |
|--|----------------|
| Energy Consumption of E16                                | 0.305 kWh/24h  |
| Energy Consumption of E32<br>Energieverbrauch            | 0.763 kWh/24h  |
| Annual Energy Consumption<br>Jährlicher Energieverbrauch | 195 kWh/annual |
| Quota Input Power<br>Anteil Leistungsaufnahme            | /              |
| Defrosting Power<br>Enteisungsleistung                   | 170W           |
| AC Power Supply<br>Netzversorgung                        | 220~240V, 50Hz |
| Noise Level<br>Geräuschpegel                             | 35 db          |

FEATURES

|   |                   |
|---|-------------------|
| Temperature Control<br>Temperaturkontrolle                            | Electronic        |
| Control<br>Bedienung  | LED / Touch Panel |
| No-Frost  | •                 |
| Multi-air-flow  | •                 |
| Centrifugal Fan<br>Zentrifugalgebläse                                 | •                 |
| Inverter Compressor<br>Inverterverdichter                             | •                 |
| Door Buzzer<br>Türsummer  | •                 |
| Temperature Alarm<br>Temperaturalarm                                  | •                 |
| Reversible Door<br>wechselbarer Türanschlag                           | •                 |
| Tempered Glass Shelf<br>Sicherheitsglas                               | •                 |
| Adjustable Front Feet<br>Vorderfüße höhenverstellbar                  | •                 |
| Flat Back (inside condenser)<br>flache Rückseite (Verflüssiger innen) | •                 |
